

10 Little Hot Dogs

One little hot dog sitting on a chair...I want a friend to sit with me! Two little hot dogs sitting on a chair...One by one, more little hot dogs join the group until...there are ten little hot dogs on the chair. They play and play until...they all fall asleep. But then, one little hot dog wakes up, and one by one, guess what the other hot dogs do? This funny picture book featuring artwork in watercolor and black pencil shows young readers how to count up from one to ten and back down from ten to one.
