

Owls (Animals That Live in the Forest/Animales del Bosque)

An owl flies silently through the dark night, searching for food. The bird is alert to any movement on the ground. In an instant, the owl swoops down to snatch its meal. In *Owls/Bhos y lechuzas*, learn how a tiny, fluffy owlet grows into a deadly forest hunter. This special English-Spanish bilingual edition enables children to work on their second-language skills as they develop strengths in their primary language.
