

## Horse Coloring Pages for Girls - Pony Coloring Pages (Horse Coloring Books) (Volume 1)

If you're a horse lover, then let yourself be swept away in Horse Coloring Pages for Girls - Pony Coloring Pages. This is not just a horse coloring book, but contains a delightful story as well...The Adventures of Stella and Crystal, a story of adventure, escape, friendship and love. The Adventures of Stella is told in two parts, the first of Stella's fight for freedom from a scary rodeo, and her journey back home, to Ferguson's farm. The second half tells of her daughter, Crystal, and her best friend, Sam. Sometimes, love and friendship can overcome any misunderstanding. With its universal message and beautifully illustrated images, there is something for the whole family to enjoy. It will be a favorite for all. The book contains over 50 wonderful horse illustrations for coloring. They are easy to color, and most suitable for 4-10 year olds. Pictures are on one side of the paper only, for the best coloring experience (so colors don't bleed through and spoil other images).
