

Thanksgiving: A Kids Writing Journal

Every kid needs a journal, and this one is different from any you'll find online or in a store. It's full of turkeys. Each page has a Thanksgiving picture and a writing prompt to get your child thinking and wondering and writing. You'll find prompts like: The turkey that didn't want to be eaten, The dragon that ate our Thanksgiving dinner, The day after Thanksgiving, Three reasons I love to play games, Two wishes I want to come true, People I am thankful for on Thanksgiving, The football that wanted to play, The pig that liked to cook, The frog with all the answers, The angry tree and the annoying bird, and many more activities to tickle your kid's funny bone and stimulate their creativity. Take a Look Inside to see what is here. You'll laugh, and so will your kid. What a thoughtful gift this will turn into (much better than a real turkey). Gobble, gobble.
