

## The Easter Pig

For ages 3-9. . Nestled deep in the heartland on a charming little farm, there lives a special litter of pigs who aspired to be many things. Roger, the runt of the litter, dreamed of being the Easter Bunny! With Easter nearing, Rogers sisters write a letter to the Easter Bunny and sew Roger a very special coat. With the help of his family and Todd the Magical Gadgeteer, who designs Rogers new foot gear, he is ready to go. This heartwarming journey shows how his familys unconditional love and support overcomes all obstacles in helping Roger achieve his dream. His journey will inspire you and every Easter have you asking, Were my Easter eggs delivered by the Easter Pig or the Easter Bunny?
