

Precious Moments, Seasons of Faith, Love Forever True

Its a time in your life you will never forget--the moment you say, I do. Love Forever True captures the heart of your special wedding day by combining the beloved artwork of Precious Moments characters with the unforgettable promises of love from Gods Word. Heart-warming scenes of carrying the bride over the threshold, the happy couple driving away, the groom lifting the veil for that first kiss--all celebrate the moment when two become one and a new life together begins.

Love Forever True is the perfect way to commemorate your special day and to bless you with verses that will encourage you in your new journey together.
