

## Mark 1-8: A Handbook on the Greek Text (Baylor Handbook of the Greek New Testament)

Mark 18: A Handbook on the Greek Text offers teachers and students a comprehensive guide to the grammar and vocabulary of Mark. A perfect supplement to any commentary, this volume's lexical, analytical, and syntactical analysis is a helpful tool in navigating New Testament literature. Rodney J. Decker leads students toward both a greater understanding of the Greek text and an appreciation for the textual and rhetorical intricacies not available in English translations.
