

2005-2006 Annual Supplement to The Piano Book: Buying & Owning a New or Used Piano (Acoustic & Digital Piano Buyer)

Supplying list prices for virtually all currently made piano brands and models, as well as advice on how to estimate actual street prices, this yearly complement to The Piano Book offers the information necessary to differentiate between a good deal and a great deal when buying a new piano. Updated information on piano manufacturers, instrument models, and current trends and conditions in the piano market is included. Anyone in the market for a new or used piano, as well as teachers, technicians, students, and aficionados, should have this definitive and singular guide.
