What Will You Find In This Recipes Book? Are you a Paleo dietitian? Well, then you have come to the right to find food with the perfect combination of taste and health! Paleo practitioners usually avoid taking dairy products but ghee is an exception. It is made of clarified butter, in which the clarification process cleans the butter of dairy proteins. This recipe book will tell you 1. How to prepare your own healthy ghee at home 2. Delicious food recipes that use ghee So, are you ready to make nutritional, tasty food?
