

From Patent to Profit, Third Edition

Having a novel idea and turning that idea into cash is not as simple as it sounds. To help innovative individuals learn to navigate around the many pitfalls of inventing, Bob DeMatteis has written From Patent to Profit, an up-to-date guide to all of the important steps involved in taking a product from the drawing board to market. Whether you are a professional inventor, a part-time dabbler, or just a clever daydreamer, From Patent to Profit can help make your dreams a reality.
