

La Toya: Growing Up in the Jackson Family

Latoya describes her life in the Jackson family which was dominated by her father. Today he is alienated from his children by the hard-driving personality that drove the Jacksons to success. Latoya refuses to be alone in a room with him and Michael has not spoken to him in over two years. Latoya talks about her relationship with her brother, her closest friend and confidant, and reveals a Michael few have ever seen before.
