

Playful Pigs from A to Z

From Caldecott Honor winner Anita Lobel comes this delightful day, from A to Z. Twenty-six playful pigs wake in their pen ready for an adventure. They trot down a country road and discover a field full of surprises! There's an A for Amanda Pig to admire. A B for Billy Pig to balance on. And Clara Pig found a C that looks like it could use a good cleaning! By the time they return to their pen that night, the playful pigs have happily oinked their way through the alphabet.
