

Legendary Journeys: Trains

This is the slide-out, lift-up, see-through story of world-famous trains and railroads! Legendary Journeys: Trains unfolds the enthralling history of trains and railroads as they spread across the globe, and takes you from the invention of the first steam engines to the latest magnetic suspension Maglev train. Five two-stage sliders with die-cuts and flaps make dramatic features that pull out to reveal amazing details of the worlds iconic trains. You can also share the experience of passengers travelling the worlds great railroads, including famous names such as Mark Twain and Indian leader Mahatma Gandhi.
