

The Teeny Weeny Tadpole

The Teeny Weeny Tadpole works hard, trying to jump among the lily pads just like Mommy Frog. While swimming downstream he watches Lamb jump and wishes he could do the same, Lamb reassures him that someday he will be able to jump. On subsequent ventures, the Teeny Weeny Tadpole meets Rabbit and Grasshopper and watches them jump. Each of his new friends reassures him that someday he will jump as high as they can. Then one day the Teeny Weeny Tadpole meets the Big Bad Fish who eats tadpoles! The Teeny Weeny Tadpole darts up and down stream and in and out of weeds as the Big Bad Fish gets closer and closer. The only way to escape is to jump! Suddenly the Teeny Weeny Tadpole has become a little frog and can jump as high if not higher than all of his new friends.
