

Nature Trails: In the Woods (Maurice Pledger Nature Trails)

Its only natural that you will love this touch-and-feel adventure by Maurice Pledger. From spotted moths to sneaky mice to striped snakes, meet all sorts of forest friends as you travel through the woods. In this age-appropriate adventure for children ages 3 and older, you'll find a touchable texture on every page and learn a little about the wonders and dangers you can expect to encounter in the forest. Furry, rough, soft, woolly, leathery, or velvety--increase vocabulary, discover sensory learning, and get to know how different each animal looks and feels. Nature Trails: In the Woods lets you feel your way through the forest to get to know the many different creatures and animals that live there.
