

A Dragon Valentine: A Dragon Heart

A Dragon Valentine is a story about two friends who get their wires crossed. When Mia is invited to Lings house for a party two weeks before Valentines Day, she begins to dream of candy shaped hearts, wonderful treats, and lots of fun at her first big girl party. Oh boy, she is in for a BIG SURPRISE! Readers will enjoy seeing just how they eventually make a cross cultural connection. Illustrations: This book is uniquely illustrated by Katy Loutzenhiser who co-authored and created the artwork for Solaka, the Girl with the Long Blue Toenails. Katy delivers detailed etchings with spot colors that provide a dreamlike experience that will delight young readers.
