

A Royal Easter Story (The Princess Parables)

It is the most spectacular spring in history. The princesses Joy, Grace, Faith, Charity, and Hope are busy with preparations for the annual Easter celebration and the castle is alive with activity. Into the kingdom ride five new friends, young knights, who are as spirited as the princesses. In the new Princess Parables title, A Royal Easter Story, a challenge is presented and the boys and girls decide to race to the neighboring village where the annual Easter celebration and feast will be held. Along the way, the princesses must weather a scary storm and rescue another new friend. But in the end the lesson is clear trust in the Lord and his love and you can overcome any obstacle.
