

Allergen-Free Desserts to Delight Your Taste Buds: A Book for Parents and Kids

Bake sales are a fun and tasty tradition at elementary schools all over, but not necessarily so for kids who have food allergies. Usually restricted to the baked goods prepared by their parents, allergic kids are not able to fully enjoy the ritual of lining up single file and marching over to the bake sale, tables lined with proud moms and delicious treats. Birthday parties and classroom parties are a similar story. Oftentimes, children with allergies will feel left out of the experience because they cannot fully or as freely participate or interact in social situations involving food. When one of the highlights of a party is the big birthday cake or the table of treats, it is hard for kids who are allergic to those things to get excited or feel included. Luckily for these children, *Allergen-Free Desserts That Will Fool Your Taste Buds* is here, providing such delicious treats as: Chocolate chip cookie dough ice cream Mango sorbet Banana bread Marble pound cake Spicy shortbread cookies Gingerbread cookies Classic vanilla cupcakes And many more! With treats so tasty that even children without allergies will flock to them, your allergy-afflicted child will never feel left out again. Skyhorse Publishing, along with our Good Books and Arcade imprints, is proud to publish a broad range of cookbooks, including books on juicing, grilling, baking, frying, home brewing and winemaking, slow cookers, and cast iron cooking. We've been successful with books on gluten-free cooking, vegetarian and vegan cooking, paleo, raw foods, and more. Our list includes French cooking, Swedish cooking, Austrian and German cooking, Cajun cooking, as well as books on jerky, canning and preserving, peanut butter, meatballs, oil and vinegar, bone broth, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes

overlooked and to authors whose work might not otherwise find a home.
