

Thanksgiving Day(Beautifully Illustrated Book Perfect For Bedtime And Young Readers) (Piddo The Baby Penguin)

A beautifully illustrated book perfect for bedtime and also for young readers...A blanket of ice that stretches beyond , oh is so cold and is starting to snow. The Isle Of Pix is where the penguins live . We know their story is true of how they sailed out of the blue , and found a new land to be free and they built their homes right beside the sea.Thousand of stars are sparkling tonight , giving the island a shimmering light.
