

Andiamo, Weasel!

A weaselly weasel, a sprinkling of Italian, and a gentle message about self-esteem all in one gorgeous, funny picture book! Mamma mia! Perhaps trusting a weasel was not such a good idea. First he weaseled his way out of helping to sow and tend the corn, and now he's stolen the entire harvest! What's a little crow to do? She's too piccola to defend herself! So she finds a wolfa big, snarling one to help her. But is her new fierce friend really necessary? This piccola crow may find out that her grande spirit is all she needs... Here is a playful romp through the Tuscan countryside complete with a sprinkling of Italian and an important message about friendship and self-esteem.
