

Noah & Dexter Finger Puppet Book: My Best Friend & Me Finger Puppet Books

Vivid retro-style design ensures that the adorable My Best Friend & Me board books are great to look at, but its the special added feature that really makes them stand out. Each one includes a super-cute animal finger puppet that interacts with every page! Children will want to hear the story of Noah and his monkey Dexter over and over again as the two friends travel to the jungle. And little ones will be thrilled as the friendly plush monkey comes to life with the help of their own or an older readers finger.
