

Anna, Banana, and the Big-Mouth Bet

Anna finds herself standing up to the class clown in the third book of a charming illustrated chapter book series about the joys and challenges of elementary school friendships. Anna has a loose tooth! Its as wiggly as her dog Bananas tail. But when Anna is poking at her loose tooth, class clown Justin keeps poking fun at Anna and her friends. Anna tries to make Justin leave them alone and gets pulled into a high-stakes bet. If Anna wins, Justin has to play nice; but if Anna loses, she has to do something so jaw-droppingly embarrassing, even Banana cant believe it. Theres no wiggling her way out of this one. Anna has to win this bet.
