

Artscroll Youth Pirkel Avos

Jews have known for centuries that the teachings of Avos are for everyone in every time. The Sages called this tractate Avos because in it the Fathers of our nation taught us how the Torah wants us to behave wherever we are. In this book, Pirkei Avos comes to a new audience. It follows in the famous footsteps of the very popular ArtScroll Youth Megillah and Youth Haggadah. It offers a new translation of the Mishnah text and a new commentary, both written especially for children. The author is Rabbi Avie Gold, a famous teacher who understands children and knows how to present the Torah to them. In this book, he proves that the master has not lost his touch. The illustrations by Michael Horen and Andras Halasz are in the tradition of those two earlier ArtScroll Youth Classics. They are just right! And the colors are breathtaking. For learning, for reading, for enjoying - this is probably the finest Pirkei Avos your children will ever see.
