

Caring for Your Cars Bodywork and Interior (RAC Handbook)

With this book, you can begin caring for your car like a professional, achieving dramatic and financially beneficial effects almost immediately. Written by the undisputed king of car detailers, it teaches you the importance of using specific chemicals for specific tasks, how to properly clean wheels, paint decontamination, polishing paintwork, removing light scratches, waxing, interior maintenance, leather care, and much more. The step-by-step guides explain the purpose and importance of each process in a straightforward manner, and will help you carry out more complicated procedures such as cleaning the engine bay without causing any damage. With helpful illustrations and advice based on the authors many years experience, this book will get your car looking great.
