

## Barracuda (Underwater World)

Engaging text highlights the life cycle of barracuda, from birth through adulthood. This book's easy-to-read text and full-color photographs bring this animal's world to life, introducing readers to the barracuda's diet, habitat, and enemies and threats. Barracuda size, body description, and family are also discussed. A diagram helps readers identify body parts, from its mouth to its tail. Fast Facts are great for reports, while Fascinating Facts expand readers' knowledge of barracuda. Bold glossary words and an index enhance reader comprehension.
