

Bathtime PiggyWiggy: Handprint Books (Pull-The-Page Book)

Whenever he is in the tub, PiggyWiggy, that inveterate planner of careers, likes to think about what he could do if only he were able to spend more time in the water. Could he become a long-distance swimmer? The pilot of a lifeboat? The captain of a submarine? Whatever it might be, young readers will see PiggyWiggy in action, for the generously oversized, pull-out pages graphically, colorfully, and energetically illustrate PiggyWiggy carrying out his dreams of the future.
