

Beagles (Seedlings)

The popular Seedlings series offers irresistible introductions to animals, birds, sea life, insects, and an array of transportation. Written in a friendly voice, filled with dynamic photos, and featuring text crafted for the youngest of readers, these books spotlight the bodies, behaviors, and habitats of living things and the parts, operation, and roles of vehicles. As introductions to informational text, these titles will plant the seeds of knowledge! A kindergarten-level introduction to armored vehicles, covering their crew, weapons, role in battle, and such defining features as their wheels. Includes TOC, labeled-image diagram, book references, glossary, websites, and index. Full-color photographs throughout.
