

Bear of My Heart

There are so many bears in the world dear, but theres no other one that will do. You are the bear of my heart, dear, and I am the one who lives you. Every mother makes promises to share the joys and wonders of the world with her children and Mother Bear is no exception. As Mother Bear introduces her child to the hills, lakes, caves and starry nights, she reminds Baby that no matter what, he will always remain the bear of her heart and she will always be there for him. With Joanne Ryders heartfelt lyrical text and adorable illustrations by Margie Moore, this beautiful hardcover is now available in board book and is perfect book for sharing on Valentines Day, Mothers Day, or any day of the year!
