

Beep, Beep! Start to Read! Level 1

Help launch your child's lifetime reading journey! Intended for first-time readers, this Level 1 storybook from the Start to Read! series, helps make reading easy. It has beginning vocabulary, many basic sight words, and a short sentence or two on each page. In *Beep, Beep!* a truck driver gets stopped by a herd of sheep blocking the road. He honks his horn beep, beep, at all the sheep, and he closes the gate, but they still make him late. Very late. What can he do? Most of the vocabulary words are introduced in first grade. You'll find that the repetition, rhyming words, short sentences and entertaining illustrations will add up to reading success! You may need to help your child sound out some words, then after several readings together, encourage him or her to read alone. This is just one selection in Dr. James Hoffman's Start to Read! Early Reading Program, with storybooks across three progressive reading levels.
