

Big Boss Man: The Life and Music of Bluesman Jimmy Reed

(Book). Alcoholic. Epileptic. Technically challenged. Jimmy Reed nevertheless overcame these roadblocks to become perhaps the most successful R&B/pop cross-over artist of the 50s with songs like Big Boss Man and Bright Lights, Big City. Musicians, family members, and those whose lives Reed touched offer revealing and heart-wrenching insights into this now-revered bluesman. While Reeds alcoholism was no secret, its effect on his musicianship is less understood. This engaging book tells the real story that until now has not been told.
