

Bilingual Concordance to the Targum of the Prophets: Ezekiel III (Bilingual Concordance to the Targum of the Prophets) (Hebrew Edition)

This Aramaic-Hebrew concordance to the Targum of the Prophets is the product of an international project based in the Theological University of the Reformed Churches in the Netherlands, Kampen and supported by the Netherlands Organization for Scientific Research. Quotations from the Targum and the Masoretic Hebrew text of the Bible are set out in parallel so that the user of the concordance can study the translation technique of the Targum in detail. For comparative purposes the concordance is published in separate volumes per book of the Prophets and a Hebrew-Aramaic index is included in each of these.
