

## Blue Wings (Phantom Stallion #20)

The wildly popular series continues with a new adventure and an allnew cover design! Summer is ending, and Samanthas dads birthday is right around the corner. When her stepmom picks out a mustang for his present, Sam thinks its a perfect idea. But will her dad agree? The new horse is gorgeous, but hes also energetic and willful. Only Sams dad can tame him if he wants to accept the birthday gift at all.
