

## A Spoonful of Sugar (Your Daily Dose of Laughter)

With a pen in my hand and a lime green avocado face mask on I embarked on writing a short summary of 365 worth reading events in my life. In these pages are stories I recall from my poodle haired childhood and lead into my life as a girle wearin, God fearin, full time nanny. My ultimate prayer is that you will learn as I have that God can show us His truth through any situation, no matter how chaotic. Maybe you share my love for my Savior and want a fresh way to look at His word, or maybe you just really need to laugh today. Either way, get ready for a years worth of daily readings from your real life, less perfect, Mary Poppins.
