

Disney Mickey Mouse Clubhouse: Follow That Dog!: Storybook and Sound FX Car (Sounds FX Toy)

Have a fun-filled ride and read with Mickey Mouse and the Sensational Six with this colorful storybook and accompanying motion-activated sound-effects toy car! When Mickey Mouse returns from a shopping trip to buy food for a picnic, he surprises his pet pal Pluto with a new bouncy red ball. Pluto has so much fun playing with it, that when it bounces away, he races off to follow it. Mickey soon notices that Pluto is missing, so he jumps into his car and searches high and low for his dog. Mickey's friends join the search on bikes, roller skates, and even in a hot-air balloon. Kids will feel like they're riding right along with Mickey, thanks to the molded toy car that accompanies the book. When the car is moved across the pages, the motion activates six cool sound effects.
