

Sir Charlie Stinky Socks and the Tale of the Wizards Whisper

Charlies sixth and most fearsome quest yet. Once upon a whisper a wizard made his way from a tall, tall tower to a castle on top of a hill. A mysterious whisper had told him that in the castle was a legendary knight who had helped dragons, monsters, and kings. Who could this perfect knight possibly be? Why, Sir Charlie Stinky Socks of course! And he's looking for adventure. Along with his cat Envelope and his good grey mare, he must venture along a treacherous track, through a spooky woody wood and into a deep, dark cave where a mysterious black sack lies. But ogres, scallywags, and pirates are lying in wait, ready to thwart Sir Charlie at every turn!
