

Moody Cat on Monday (Diary of a Moody Cat Book 1)

Moody Cat is just your average cat. Happy go lucky, easy going, laid back. OK... Well, he might be slightly grumpy at times.

And kind of a spaz. Mondays are a bit of a crazy day for him and his little family.

But at the end of the day after a series of hilarious adventures, like coloring with friends, playing iPad, and running around like a loon, they end up sleepy, together, and happy. Moody Cat on Monday is the opening installment of a new comedic childrens book series written and illustrated by Amanda Gattton. Each book will feature sight words in bold text to keep your young readers engaged while progressing through the classroom rainbow of words children are required to identify on sight in Kindergarten. Extra review and scavenger hunt activities are included in the back of the book. To celebrate the launch of this new series, this Kindle copy features an EXCLUSIVE OFFER. In the back of the book you will find a link to download and print Moody Cat on Monday in COLORING BOOK format absolutely free. This coloring book will not be available anywhere else but here! Share your child's artwork with the author on Facebook and Instagram to be featured to her fans! Moody Cat is FREE with Kindle Unlimited.
