

Bring On the Birds

Birds come in all sorts of interesting shapes, sizes, and colors and many of them can do amazing things as well. Can you imagine...Dancing birds,Diving birds,Hanging birds,Hiding birds...Theyre all real!In her latest book, noted author-illustrator Susan Stockdale introduces young readers to both exotic and familiar birds in energetic rhyming text. The bright, bold colors and crisp, clean lines of Stockdales birds, depicted in their natural habitats, cant help but grab your attention. An afterword identifies each animal and tells a little bit about it and where it lives.
