

# Building Your Network Marketing Business

Subjects include life skills and leadership, common challenges to finding leads, and how to think like a wealthy person and become what you think. The man many consider to be America's foremost Business Philosopher has been sharing his success principles and strategies for more than 39 years, with more than 6,000 audiences and over four million people worldwide! He is the author of over 25 books, audio, and video programs. Jim has been hailed over the years as one of the most influential thinkers of our time.
