

Business Communication Essentials

This new book is a workbook and a Handbook of Grammar, Mechanics, and Usage, all-in-one package. It offers learners especially those who lack proficiency in business English the tools they need to succeed in today's workplace with a heavy emphasis on exercises to improve grammar, punctuation, style, usage, and writing skills. Coverage includes the three-step writing process: planning, writing, and completing business messages and focuses on process and product throughout. For business professionals at any level seeking to improve their written communication skills.
