

Business Communication Today

For one-semester/term courses in Business Communication and Business Writing in departments of Business, English, and Communications. This best-selling text brings all the pieces of business communication together to give students a realistic understanding of the fundamental concepts of business communication. The text powerfully demonstrates how to communicate effectively through real-world company examples and real-life business situations. With practical, realistic assignments, students learn the concepts behind effective communication while developing and refining their skills to compete more successfully in today's job market.
