

## Twinkle Dives In (Butterfly Meadow)

In Butterfly Meadow, colorful butterflies dance through the air, glowworms inch through the grass, and bumblebees buzz around every flower. It's a place where friendships and adventures take flight! Twinkle is feisty, fun, and always up for an adventure. But the nearby pond holds a much bigger adventure than she expected! When her wings get too close to the water, Twinkle is in danger. Can Dazzle and Skipper come to the rescue?
