

My Last Sigh: The Autobiography of Luis Bunuel

Luis Bunuel lived many lives-surrealist, Spanish Civil War propagandist, hedonist, friend of artists and poets, and filmmaker. With surprising candor and wit, Bunuel offers his sometimes scathing opinions on the literati and avant-garde members of his sweeping social circle, including Pablo Picasso, Jorge Luis Borges, Salvador Dali, and Federico Garcia Lorca. These colorful stories of his nomadic life reveal a man of stunning imagination and influence. Luis Bunuel (1900-1983) was one of the twentieth century's greatest filmmakers. His many credits include *Un Chien andalou* (1924), which he conceived with Salvador Dali, and *The Discreet Charm of the Bourgeoisie* (1972), which won the Academy Award for Best Foreign Film.
