

The Doll Graveyard: (a Hauntings novel)

This graveyard hides buried dolls...and buried secrets!The house at Cinder Creek hides many secrets. Shelby and Brian Tate have heard heated voices crying out in the night. Theyve noticed the unsettling way things move around on their own. But the most chilling thing about their new home is the cemetery someones built out back. The graves are tiny, only big enough for dolls.AND THE DOLLS WONT STAY BURIED.Soon Shelys learning all about them. Betsy Annes angelic appearance hides a raging fire behind her eyes, while Baby Daisy changes faces as quickly as she changes moods. And Miss Amelias cracked porcelain skin and twisted lips only hint at the pain she once endured at the hands of a very angry girl. If Shelby can help the dolls find peace, she and her family might actually be happy at Cinder Creek. But if she cant--the dolls will have their revenge....
