

Making Dinos: an engineering adventure notebook

Dinosaurs are amazing! Making Dinos gives kids (and grown-ups, too) ideas for inventions that bring dinosaurs to life. Follow the step-by-step instructions, or use your creativity to design a new machine inspired by your favorite dinosaur! Learn how to build a Stegosaurus tail, Triceratops beak, a dinosaur that can balance on two legs, and much more! Learn how to build machines from materials you can find around your house. Explore even more at curiositymachine.org, where you can meet dinosaur experts from the Natural History Museum of Los Angeles County, as well as scientists and engineers who can help you build! Have fun inventing!
