

Carnivores

The lion is king of the jungle! The great white shark is sovereign of the seas! The timber wolf is emperor of the forests! But ... its lonely at the top of the food chain. Its difficult to fit in when plant eaters can be so cruel just because you ate a relative of theirs that one time! Whats a carnivore to do? Aaron Reynolds's roarily funny text is perfectly paired with Dan Santat's mouthwatering illustrations, creating a toothsome book that's sure to stand out from the herd.
