

Cars (How to Draw (Powerkids Press))

The How to Draw series takes a highly visual and practical approach to drawing. Learn how to draw a variety of cars - from Le Mans winners to urban racers. The titles feature step-by-step instructions for each art project. Duotone line illustrations highlight each step. Includes background information on each car. Different drawing materials are used, including pencil, pen, crayon, paints and charcoal, with clear instructions for each. The series covers a comprehensive range of popular subjects, with sections on material, composition, perspective and technique.
