

Case and His Cotemporaries, or the Canadian Itinerants Memorial: Constituting a Biographical History of Methodism in Canada, from Its Introduction Into (Classic Reprint)

To the Ministers and Members of the Wesleyan Methodist Church, and to the various Methodist Bodies in Canada, this Book is modestly, but affectionately, inscribed-in hopes that the remembrance of a common parentage may lead them to compromise their differences, and combine and economise their energies in one undivided phalanx, to urge forward, instrumentally, the glorious work of cvangelization-by their brother in the common faith, THE AUTHOR.
