

Werewolves and Other Shape-Shifters (Not Near Normal: The Paranormal)

Could a human really change into a savage, bloodthirsty, wolflike creature? In *Werewolves and Other Shape-Shifters*, young readers will investigate this question and more as they read historical stories and modern-day accounts of werewolf encounters! Packed with spooky illustrations and historical photos, this title profiles some of the most famous werewolves throughout history and explores the fears and superstitions of different cultures that might explain the origins of werewolf stories. Kids will also look at the scientific facts that might explain the existence of werewolves. Could werewolves and other shape-shifters really exist? Check out this book and decide for yourself!
