

Esau Doom: A Guide to Obadiah (Guides to Gods Word)

Discover the horror of Gods international kegger-of-wrath tour. The book of Obadiah may be among the most neglected in the Old Testament. It is a message of divine judgment against Israels cousins, the Edomites. Descended from Esau, Jacobs brother, the Edomites taunted Israel and celebrated her destruction at the hands of the Babylonians in 586 B.C. In response to such arrogance and hatred, a little-known Judaeen prophet named Obadiah predicted Esaus doom and Israels restoration. Obadiah reminds us of Gods faithfulness to the humble and lowly, and of his oath to punish and humiliate the wicked. Every Guide to Gods Word from Start2Finish Books...
