

Time For Kids Book of How: All About Animals

TIME For Kids The Book of How: All About Animals presents kids 8-12 years old with answers to the kinds of intriguing questions that appeal to their sense of curiosity. Colorful graphics, spectacular photos and clear, engaging diagrams will help answer questions such as: How does a chameleon change colors? How do sharks find prey? How do elephants communicate? And many more. TIME For Kids goes beyond just answering the question, and engages kids with hands-on activities at the end of each chapter that bring life to a topic or idea they just read about. The Book of How: All About Animals is a must-have book to satisfy the most curious of kids.
